Lawn Care Technician

Job Description:

Perform lawn/turf and landscape bed management using spray and injection tools under the supervision of a Mowing Crew Foreman. Complete scheduled jobs each day using high quality standards to ensure client needs and expectations are met.

Qualifications:

- Registered Technicians Certification (*Required*).
- Experience providing lawn care services for residential and/or commercial clients.
- Experience operating, cleaning, and maintaining lawn care equipment.
- Ability to mix/ measure and apply lawn care products at recommended rates according to product label.

Responsibilities:

- Provide lawn aeration, seeding, and turf management, utilizing personal protective equipment according to state law. Keep accurate records of lawn care product applications for each property.
- Clean, calibrate and perform preventative maintenance on equipment. Assist Lawn Care Manager in conducting weekly inspections.
- Monitor lawn health and care during and after applications and communicate progress to clients and supervisors. Educate clients on the diagnosis and prescribed pest control & fertilization services.
- Perform onsite evaluations of property. Help to identifying existing/potential weeds & pests on the property. Help to promote sales opportunities with existing & perspective clients.

Expectations:

- Be on time and have flexibility in work schedule. 7:30 AM – 4:30 PM, Monday – Friday. Saturdays mandatory during peak season.
- Work and communicate in a team environment in the field.
- Follow all safety guidelines and ensure crew members are also abiding by these protocols. Notify supervisors of any broken equipment or potential hazards.
- Load and unload equipment daily. Return any equipment to where you found it. Keep work truck clean and organized.
- Keep a clean and safe work environment, including work site and equipment.
- Maintain a professional and orderly appearance and with company equipment and uniforms.
- Participate in staff trainings & meetings.
